They are working on a customize evangelism training, college ministry outreach, short term weekend mission trips. Rodney Hammer and Jeff Funderburk will be making a vision trip to Vancouver, B.C. the end of April to scope out possible mission partnerships. Matt Sprink of First Baptist Blue Springs is currently on a mission trip to Eritrea for possible mission partnerships.

Loren Hutchinson from Resourcing Churches team reported that they are developing resource groups from each church that will partner with other churches. There is a form on the web page for churches to register. They are

also working on a project to identify church members with special expertise that would be willing to share with other church members. The team has identified 24 different categories with 200 separate areas.

Rob Hutchinson from Equipping Leaders shared the Pastors Praying for Pastors project. He has contacted several pastors to see if they would be willing to participate. A special directory was developed and mailed to each pastor with a letter explaining how to pray for each other.

Executive Board Meeting
July 22, 2010

The Executive Board of the Blue River-Kansas City Baptist Association met on Thursday, July 22, 2010 at the BR-KC mission center.

Moderator Charles West called the meeting to order and opened with prayer.

April 13, 2010 meeting notes were approved.

Kim Rice presented the finance report. The report was approved.

A motion was made by Randy Messer that the Association forgive \$6,000 plus interest in the amount of \$500.00 for a total of \$6,500 of the loan made to the Executive Director, Rodney Hammer. This is the second loan forgiveness in the agreement made when Dr. Hammer was hired. Motion was seconded and approved.

Adam Van Pelt and John Johnson from A.R.C. Construction made a presentation showing the work that needs to be done on the roof. We are having serious leaks in the roof. The roof that is causing the problems was installed by Sun Life Roofing ten years ago. The roof has had many leaks over the years. Most recently, Sun Life was out repairing leaks. At some point over the years of repair work, the channels for the windows were sealed. This caused the rain to have no where to run and the water came in behind the roofing system and into the building. The warranty has expired with Sun Life. There is water underneath the Sun Life roof and the original roof. This water is coming into the building. Water is also coming in underneath the windows and running down the walls. It was discussed that a lawsuit would cost more

money than to have another company put on a new roof. A.R.C. Construction presented a bid of \$38,650.00. They will take off the top roof, completely dry out the roof and install a new TPO roof.

We also received a bid from Zucca Roofing of \$36,945.00. This is a different style of roof. After discussion it was determined that the roof from A.R.C. Construction better suited our needs.

A motion was made, seconded and approved to have A.R.C. Construction complete the work.

Jeff Funderburk gave a report from the Gospel Outreach team. He reported on the work in Vancouver. Rodney and Jeff have met with the West Central Association regarding the possibility of partnering to help plant churches in a section of the city. Another trip is schedule for September of this year.

Rodney Hammer presented his report which is attached. He asked for prayer for the Haitian families that lost their sons in a drowning accident. Rodney talked about the upcoming annual meeting that will be held at Calvary Temple and Crossroads Church Kansas City. More details will be coming.

The meeting was followed by a BBQ lunch prepared by Dean Preuett. Charles West adjourned the meeting and prayed for lunch.

The Association recognizes that each Member is also an independent and sovereign body, and the Association does not claim to and will never attempt to exercise any authority over any of its Members.
- 3.2 **Other Baptist Organizations.** The Association recognizes that Members and other Baptist organizations are also independent and sovereign bodies, and the Association does not claim to and will never attempt to exercise any authority over any other Baptist organization. Actions taken independently by any other Baptist organization with which this Association may interact are not the actions of this Association and they may not in any way be attributed to this Association by virtue of the Association's relationship with the organization.
- 3.3 **Fraternity.** The Association shall work to have a fraternal and cooperative relationship with Members, the Missouri Baptist Convention, the Southern Baptist Convention, other Baptist Associations, and other Baptist Churches. This Association will support, promote, cooperate with, and coordinate its programs and plans with other Baptist organizations as much as is reasonably possible.

Upon receiving such a request, the Credentials Committee shall investigate the grounds for dismissal and report its recommendation to the body requesting the investigation. The Credential Committee’s investigation shall include the opportunity of the investigated Member to hear and respond to grounds put forth in favor of dismissal. If the Credentials Committee recommends dismissal, then it shall bring the recommendation to the Association at the Association’s next meeting. 10 **Quorums** The quorum for the annual and special called meetings of the Association shall be 100 messengers; for Executive Board meetings--35 members; and for the Administrative Committee - 5 voting members.

11 **Indemnification**

11.1 **Interpretation.** This section 11 shall be interpreted consistently with the provisions of Section 355.461 to 355.501, RSMo. (including but not limited to the definitions of terms therein), relating to nonprofit corporations, with the same effect as if the Association were a nonprofit corporation under Chapter 355, RSMo. The term “director” in this section 11 includes any person who is a member of the Association’s Executive Board or Administrative Committee.

11.2 **Indemnification of Directors.** The Association shall indemnify a director who was wholly successful, on the merits, or otherwise, in the defense of any proceeding to which the director was a party because the director is or was a director of the Association against reasonable expenses actually incurred by the director in connection with the proceeding.

11.3 **Indemnification -- Any Person.** The Association may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the Association, by reason of the fact that the person is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys’ fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit, or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person’s conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person’s conduct was unlawful.

11.4 **Indemnification -- Proceeding by the Association.** The Association may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of

the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including attorneys' fees, and amounts paid in settlement actually and reasonably incurred by the person in connection with the defense or settlement of the action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Association; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of the person's duty to the Association unless and only to the extent that the court in which the action or suit was brought determines upon application that, despite the adjudication of liability and in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

- 11.5 **Expenses.** To the extent that a director, officer, employee or agent of the Association has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in subsections 11.3 and 11.4 of this section 11, or in defense of any claim, issue or matter therein, the person shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred by the person in connection with the action, suit, or proceeding.
- 11.6 **Conduct Determination.** Any indemnification under subsections 11.3 and 11.4 of this section 11, unless ordered by a court, shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in this section 11. The determination shall be made by the Executive Board by a majority vote of a quorum consisting of directors who were not parties to the action, suit, or proceeding, or if such a quorum is not obtainable, or even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or by the Members of the Association.
- 11.7 **Expense Advancement.** Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of the action, suit, or proceeding as authorized by the Executive Board in the specific case upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount unless it shall ultimately be determined that the person is entitled to be indemnified by the Association as authorized in this section 11.
- 11.8 **Non-Exclusive.** The indemnification provided by this section 11 shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under section 537.117, RSMo., any other provision of law,

the Association's petition or decree of incorporation, articles of association or bylaws or any agreement, vote of Members or disinterested directors or otherwise, both as to action in the person's official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

11.9 **Further Indemnity.** The Association shall have the power to give any further indemnity, in addition to the indemnity authorized or contemplated under other subsections of this section 11, including subsection 11.8, to any person who is or was a director, officer, employee or agent, or to any person who is or was serving at the request of the Association as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, provided such further indemnity is either (i) authorized, directed, or provided for in the articles of agreement of the Association or any duly adopted amendment thereof or (ii) is authorized, directed, or provided for in any bylaw or agreement of the Association which has been adopted by a vote of the Members of the Association, and provided further that no such indemnity shall indemnify any person from or on account of such person's conduct which was finally adjudged to have been knowingly deliberately dishonest or willful misconduct. Nothing in this subsection shall be deemed to limit the power of the Association under subsection 11.8 of this section 11 to enact bylaws, or to enter into agreements without adoption of the same by the Members of the Association.

11.10 **Insurance.** The Association may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Association, or who, while a director, officer, employee, or agent of the Association, is or was serving at the request of the Association as a director, officer, partner, trustee, employee, or agent of another foreign or domestic business or nonprofit corporation, partnership, joint venture, trust, or other enterprise, against liability asserted against or incurred by the person in that capacity or arising from the person's status as a director, officer, employee, or agent, whether or not the Association would have power to indemnify the person against the same liability under this section 11.

12 **Parliamentary Authority** The rules contained in the current edition of Robert's *Rules of Order* shall govern the Association in all cases to which they are applicable, and in which they are not inconsistent with these bylaws and any special rules of order the Association may adopt.

13 **Miscellaneous**

13.1 All officers, messengers, chairs of committees, auxiliaries, and departments, and all other persons with leadership positions within the Association shall be members in good standing of an Association Member church.

13.2 An Associational staff person, or spouse of an Associational staff person, may not serve as a messenger, Executive Board Member, or Committee Member except as otherwise provided in these Bylaws.

13.3 A record of all official actions taken by the Association shall be filed with the Clerk and kept permanently in the Association's office. These records shall be open, at all reasonable hours, to the inspection of all the Members (acting through their properly designated messengers or Executive Board members).

13.4 The Association's fiscal year shall be January 1 through the following December 31st. The Association's program year may change from year to year as deemed necessary.

14 **Amendments** The Association may amend these Bylaws by a two-thirds affirmative vote of the Messengers present and voting at a duly called meeting at which a quorum is present, provided that written notice of the proposed amendment shall have been duly given to the Members at least thirty (30) days prior to the opening of the meeting at which the amendment is to be considered.
